Suitable for pre-school children  
CHILDREN'S SAFETY DRINKS

Super Baby and Ted live in the make-believe town of Cotsville in Western Australia. They keep an eye on all the kids who live there so they stay out of danger. At the same time, Super Baby reminds the 'big people' that adult supervision is needed AT ALL TIMES to prevent accidents and injuries so their children are safe and happy. Stories include safety at home, on the road and when playing near water.
